GLINKA Russlan and Ludmilla -- Overture

TCHAIKOVSKY Violin Concerto

KALINNIKOV Symphony No.1

Experience the fireworks as James Ehnes performs Tchaikovsky's Violin Concerto with the TSO. 'Experience the glory of Mother Russia in a program that brings together the musical fireworks of Tchaikovsky's concerto, Glinka's lively and tuneful overture and Kalinnikov's wonderfully atmospheric symphony. It's a great pleasure to introduce to audiences in 2008 works that formed part of the TSO's inaugural season in 1948. Viva TSO!' -- Nicholas Heyward, Managing Director
