Aphids heads over the border to West Australia for a hybrid arts residency at PICA - Perth Institute of Contemporary Art from the **11 -24th of August** supported by the Australia Council for the Arts. As part of the residency, Aphids will be melding minds and artistic practices to explore connections made between performance, robotics, instrument building and video. Please join us for an Aphids Artist Presentation on Friday the 22nd of August at 6pm at PICA's Tower Studio. Visit www.aphids.net for further information about upcoming projects.
