SUPPORT new music performance in australia

The New Music Network is dedicated to the promotion and performance of new music in Australia. The NMN is a collection of impressive and passionate contemporary music artists, ensembles and organisations. Based in Sydney, but with its eyes and ears to Australia and the world, the NMN was formed with the idea of informing audiences about the newest music performances by outstanding Australian artists.

By becoming a member of the NMN, you are directly supporting the performance of new music by a network of wonderful Australian ensembles performing around the country. Your membership gives you discount on concert tickets for designated performances; 10% discount on purchases at the Australian Music Centre store; an invitation to attend special events and concerts including the annual Peggy Glanville-Hicks Address.
